Dear Mr. Ammerman,

On behalf of the Association of Maternal & Child Health Programs, I am pleased to inform you that the Moving Beyond Depression™ Program has been selected to receive a Best Practice Award at AMCHP's 2018 Annual Conference. These awards honor especially innovative and effective practices in maternal and child health that have been successfully reviewed and accepted into Innovation Station since the previous conference.

We look forward to presenting the award to you during AMCHP's Annual Conference which will take place at the Crystal Gateway Marriott from February 10-13, 2018 in Arlington, Virginia. We would be thrilled to recognize you in person and are happy to offer you, or a program representative, complimentary registration for this year's AMCHP Annual Conference. AMCHP staff will be in touch with you to discuss the award and logistics more in depth in the coming weeks.

On behalf of AMCHP, thank you for your dedication to improving the health of women, children, and families, and for sharing your work through Innovation Station.

Most Sincerely,
